

WARN® ZEON™ 10 Winch

24V DC Truck/SUV winch with
a 10,000 lb. capacity.

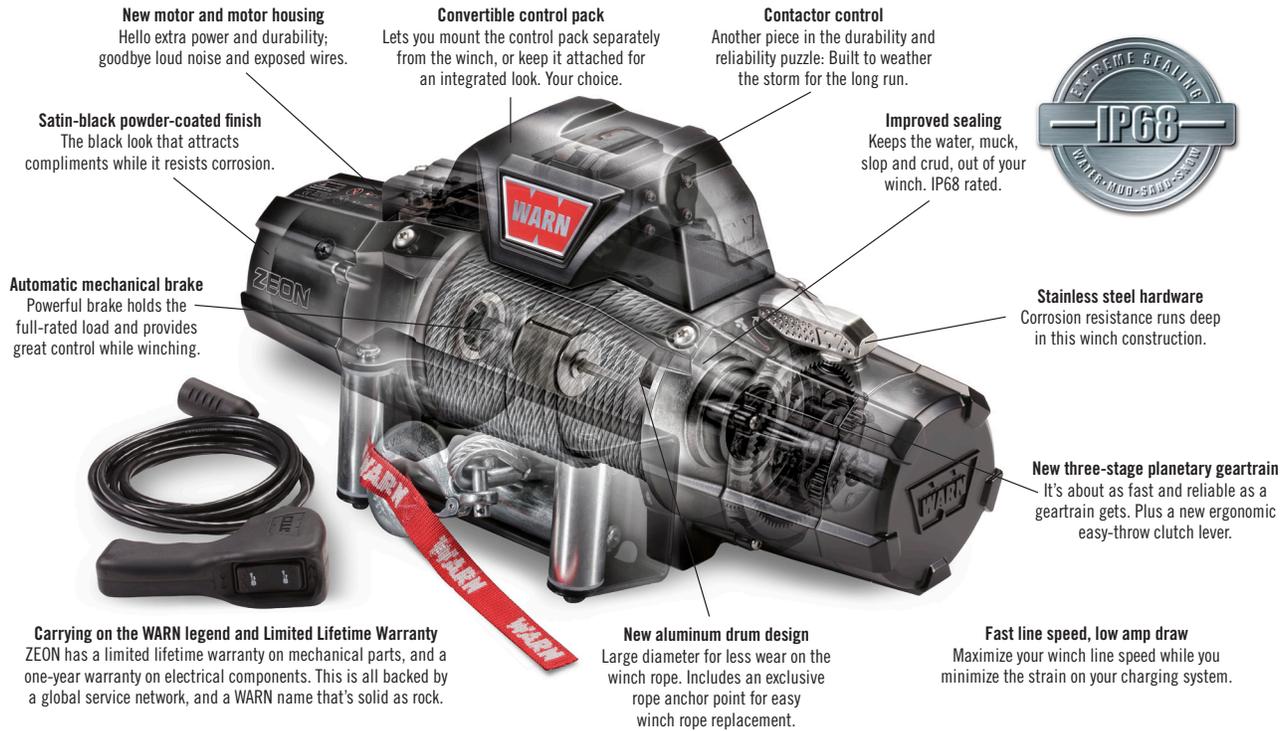

The next generation of winches is here: WARN® ZEON™. With a modern rugged design, upgraded internal components, and increased performance and durability, ZEON is a new name from the most trusted name in winches. With a bold look and power to match, the ZEON is like nothing you've ever seen before.

- Legendary WARN reliability and performance; 10,000 lb. (4536 kg) capacity – perfect for heavier trucks and SUVs
- Unique exterior styling and symmetrical design give this winch a look that is advanced, capable, and strong
- New-design planetary geartrain and series-wound motor deliver fast, quiet, and reliable pulling power
- Satin-black powder-coated finish with stainless steel fasteners and clutch lever looks great and inhibits corrosion
- Convertible control pack can be attached to the winch or remotely mounted, allowing for various winch mounting options and looks (Relocation kit required and sold separately)
- Large diameter, aluminum winch drum reduces rope wear, is light weight, and has an integrated rope anchor for easy rope installation
- Robust aluminum housing is durable and helps dissipate heat
- Improved winch sealing to keep the elements out; IP68 rated
- Contactor control for extreme reliability and weather resistance
- Automatic mechanical cone brake holds the full-rated load and offers excellent control while winching
- Ultra-durable rubberized corded remote with 12' lead
- Backed by the WARN Limited Lifetime Warranty

New motor and motor housing
Hello extra power and durability; goodbye loud noise and exposed wires.

Convertible control pack
Lets you mount the control pack separately from the winch, or keep it attached for an integrated look. Your choice.

Contactor control
Another piece in the durability and reliability puzzle: Built to weather the storm for the long run.

Satin-black powder-coated finish
The black look that attracts compliments while it resists corrosion.

Improved sealing
Keeps the water, muck, slop and crud, out of your winch. IP68 rated.

Automatic mechanical brake
Powerful brake holds the full-rated load and provides great control while winching.

Stainless steel hardware
Corrosion resistance runs deep in this winch construction.

New three-stage planetary geartrain
It's about as fast and reliable as a geartrain gets. Plus a new ergonomic easy-throw clutch lever.

Carrying on the WARN legend and Limited Lifetime Warranty
ZEON has a limited lifetime warranty on mechanical parts, and a one-year warranty on electrical components. This is all backed by a global service network, and a WARN name that's solid as rock.

New aluminum drum design
Large diameter for less wear on the winch rope. Includes an exclusive rope anchor point for easy winch rope replacement.

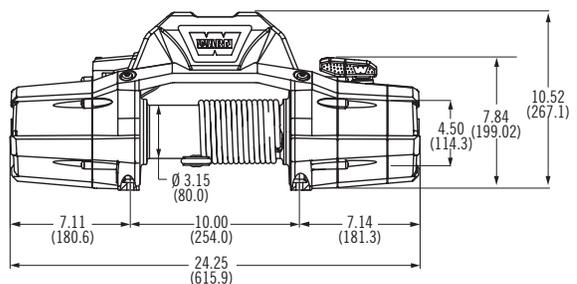

Fast line speed, low amp draw
Maximize your winch line speed while you minimize the strain on your charging system.
